IN HONOR OF

Mindie Drummond

Mindie Drummond, a long time City of Coronado employee, recently lost her battle with cancer. She leaves behind two small children and her husband, Charles, a member of our Public Services Department.

Please consider supporting the Drummond family during this difficult time. Let's come together as a community and help Mindie's family cover medical and funeral costs. Even the smallest generosity will aid the Drummond family in their battle

Thanks to the generosity of
Village Pizzeria, 10% of all
proceeds collected

Tuesday, April 5th
from both locations will be
donated to Mindie's family.
