

CORONADO ACTIVE TRANSPORTATION MASTER PLAN

Public Workshop #2

Help Shape Transportation in Coronado!

The City of Coronado is currently developing an Active Transportation Master Plan to identify and prioritize existing pedestrian, bicycle, and other non-automobile transportation issues affecting the City.

What is Active Transportation?

Active transportation refers to any form of human-powered transportation such as walking (including using wheelchairs), bicycling, skateboarding, or rollerskating.

Get Involved!

Please attend the second upcoming public workshop to learn more and provide your input regarding bicycling and walking in Coronado. We encourage you to invite your friends and family to attend as well. We look forward to receiving your input!

Contact Us!

For additional information, please contact Allie Scrivener at ascrivener@coronado.ca.us or (619) 522-2423.

Visit coronado.ca.us/activetransportationplan to learn more about the plan.
