MARCHING OFF THE MAP

LEADING GENERATION Z

SUNDAY | NOVEMBER 18, 2018 | 5PM

In this session Dr. Elmore will provide proven research, real-world methods, and practical wisdom that equips you to lead the emerging generation to:

- “Own” their education and their future.
- Transition from an attitude of apathy to passion through metacognition.
- Push back from constant digital distractions and practice mindfulness.
- Handle the complexities of an ever-changing world.
