Prevent Suicide

Learn 3 Simple Steps to Help Save a Life

Dynamic Presenter: Michele Madden

1. Recognize **Warning Signs** of a Crisis
2. Learn ways to **Initiate Conversation**
3. Gain methods of **Providing Help** and Hope

QPR: Question, Persuade, Refer - Training for Suicide Prevention. Learn to recognize the warning signs and how to question, persuade, and refer someone to help. Like CPR, people trained in QPR help save lives. YOU can save a friend or family member!

Coffee Talks are a monthly social speaker series designed to empower parents and caregivers with tools for success. To keep up to date on all our events and programs, email us today at info@CoronadoSAFE.org and like us on Facebook. For an updated schedule of all Coffee Talks and other events go to CoronadoSAFE.org.
