to John

Hi John, I am sending a copy of my Life Time Award to the Coronado Eagle. and another weekly news group. As I stated before I am adding your name to the group that made Coronado a great city to live in, and that Coronado High School may have partially been responsible for my receiving the Award.

I have and also would like to include Tom Shine. Do you know what rank he achieved in the Navy? and he was a USNA graduate class of 55?

I have included you as a writer, teacher, and high school principal.

Send me a copy, and I hope they print it.

Cdr. Shine was in the NAVAC class of 55. He was the president of the Coronado Senior Center.

I list my name as an educator, was a teacher, principal, and educational consultant. I am a published writer, author of the book "Surfing in San Diego", Arcadia Press and considered a surf history authority.

Weather is great in Florida.

Merry Christmas and Happy New Year! John
