# Register Today!

[www.miracleleagueofsandiego.org](http://www.miracleleagueofsandiego.org)

The Miracle League of San Diego provides children with special needs the opportunity to play baseball in an organized league. Each player is paired throughout the season with a buddy who provides encouragement and assistance as needed.

Participation has grown from 100 players in our May 2007 season to over 185 in our last season ending May 2012. This coming fall, we will open a second location in Coronado to accommodate growing demand. We will also feature inter-league play for two weekends each season to allow all teams to experience each location.

We are now registering players, buddies and coaches for each of our two locations: North County (Engel Family Field in Del Mar) and South County (Green Field in Coronado). Games are played on Saturdays from September 8, 2012 through November 17, 2012. Opening Day for our inaugural season at Green Field will be September 22, 2012.
