

# Bridging the Digital Divide: What Parents ~~Want~~<sup>need</sup> to Know

## Cell Phones • Cyberbullying Sex Exposure Online

The seeming anonymity of the Internet has opened the door to new threats. 80% of middle school youth would not feel comfortable going to their parents if they got "in trouble" online.

- Expect to be shocked
- Expect to feel disgusted
- Expect to feel overwhelmed
- Expect to feel helpless

And . . .

- Expect to feel empowered

The San Diego Internet Crimes Against Children Task Force and San Diego Police Foundation are providing tools to facilitate smart cyber choices for our first online generation.
